

You're not 'difficult'. You've got cancer.

Everyone should get the very best cancer care and treatment, no matter what. If you're worried about the care you're receiving and want to know what your rights are, we can help. Cancer isn't fair, but your treatment should be. To learn more about your rights to cancer treatment scan the QR code or go to macmillan.org.uk/RVY to access the **Raising Your Voice Guide**
